American Cancer Society Christmas Fantasy House

The 19th Annual American Cancer Society Christmas Fantasy House is a spacious, custom-built home available for tour in Elm Grove. This event runs for nine days, Saturday, Nov. 5, through Sunday, Nov. 13. There will be a Preview Night Gala on Friday, Nov. 4, where guests will experience an evening of elegance, fine wines and cuisine and an intimate tour of the house.

The Christmas Fantasy House is not a typical home tour. Fantastic decorations, new colors, trends and ideas for a spectacular Christmas are showcased in this stunning, 10,000-square-foot residence. In addition to the decorations, there will be trains running in the garage, Santa visiting on weekend afternoons, as well as a Holiday Boutique, a Sweet Shop for picking up your Christmas cookies and themed raffle baskets. Tour guests can also visit the Hall of Trees and Wreaths for an opportunity to win the decorations on the donated trees. Guests can purchase an ornament for the Memory Tree where cancer survivors and those lost to cancer may be remembered.

All proceeds benefit the American Cancer Society mission of providing life-saving research, education for prevention and early detection and services to cancer patients.

There is no parking in the subdivision. Guests will be transported to and from the Christmas Fantasy House approximately every 10 minutes via a Wisconsin Coach Lines shuttle. Go to Bluemound Plaza Center, 15800 W. Bluemound Road, Brookfield, to board the shuttle.

Tickets are \$20 and are available for purchase on-site at the Christmas Fantasy House or at various business locations around Milwaukee. For a complete list of ticket vendors, tour and shuttle information, visit <http://gala.acsevents.org>. The Christmas Fantasy House is open from 10 a.m. to 6 p.m. on weekends and 11 a.m. to 8 p.m. during the week.
